IE SHE BECOME SMALLER!?

ちっちゃくなっちゃった!?

ちっちゃくなっちゃった!?

Foreword

Nice to meet you and good day.
My name is Utsuro Yatsuki.
Thank you very much for buying this
book on this Comiket.

The concept for our
book this time is "Tiny Saber"
Kinda dumb, huh?
But! There is surely some
amusement hidden within!

Chibi Saber's true charm may not be
depicted well enough by my drawings, but
it would make me very happy if at least some
of her charm is conveyed to you through them.

Well then,
"Did she become smaller!?"
will start from here on.
